I am writing to express my interest in donating a wheelchair to your esteemed institution. As an organization committed to promoting accessibility and inclusion of rural study believe that every student should have access to the tools and resources they need to succeed.

I understand that college life can be challenging, especially for students with mobility impairments. Whether it is navigating the campus or attending classes, a wheelchair can make all the difference in ensuring that every student has the opportunity to pursue their education without limitations. I have been working diligently to gather resources to help those in need. In light of this, I have a new wheelchair that I believe would be have great benefit to a student at your college. It is our hope that this donation will help ease the burden for a student with mobility impairment, allowing them to focus on their studies and reach their full potential. I believe that this donation will not only be beneficial to the student who receives it, but also to the college community as a whole. It is my hope that this gift will inspire others to join in our efforts to promote accessibility and inclusion in higher education.

Thank you for considering our donation. I look forward to hearing from you soon.

Sincerely,

Dr. Ashok Panalal Gandhi
