Subject: Regarding opinion about Syllabi.

Respected Sir,

We have collected online feedback regarding the curriculum with various parameters from students, parents, alumni and Teacher.

The analysis of these feedbacks brings following points for careful consideration

- ✓ Industry related content should be insisted, application based syllabus be there in Physics.
- ✓ Syllabus content should be Job oriented Profile in Zoology.
- ✓ Employable skills are important in Chemistry.
- ✓ Job oriented skills are needed. Application of knowledge in daily life is important in English.
- ✓ Reformation of syllabus related to recent trends in Geography.
- ✓ Curriculum can be made more applicable in Mathematics.

Please put forth the same in BOS meeting to meet the demand of the stakeholders.

Thanking you.
